FUNDRAISING - IMPORTANT

As part of Deaf Golf Australia's fundraising drive for sending the Australian Deaf Golf Team to the 2018 World Deaf Golf Championships at Dublin, Ireland in July 2018, Deaf Golf Australia is seeking your assistance in obtaining items for auction scheduled to be held at Wollongong Golf Club during the 2017 Australian Deaf Golf Championships on 23-25 April 2017.

Suggested items for auction could be any or a combination of the following:- green fee vouchers (for 4 golfers) from your golf clubs, merchandise / clothing / items from friends or businesses that you know of, or any other item you feel would be worthwhile to raise money for the team.

A TEAM EFFORT from each of you would be desired in order that we can obtain as many auction items possible. Deaf Golf Australia would be more than pleased to send a letter of support to anyone or any business that you know of.

Gavin Balharrie has kindly volunteered to be the coordinator and auctioneer on behalf of Deaf Golf Australia, so please email a photo or a list of items for auction to gbalharrie@gmail.com. Gavin will prepare a list of auction items for people not attending the auction at Wollongong so they can place bids prior to the event. Gavin would like to finalise this list by the end of March 2017. Can all of you try and get your list to him by the **25th of March 2017**?

Thank you all for your support.

STOP PRESS: We have our first auction item kindly donated by Kew Golf Club – a voucher for a round of golf for 4 lucky players secured by Gavin Balharrie. Thanks Gavin! Everyone else get cranking 😊
